

SRIJANI M

Student at Cambridge Institute Of Technology North Campus

Hi! I'm Srijani M, a cybersecurity fresher in Bangalore. By day, I excel in cybersecurity, embracing optimism in every task. Off the clock, I indulge in singing, books, and finding elegance in life's simple moments. Passionate about technology and creativity, I value meaningful connections. Let's connect and share stories!

- Sri sai pragna residency, 4th floor, ff2, Sai Pragna Residency, Bengaluru, Karnataka, India

Education

- PCMC in PU**
@geetanjali olympiad school
2020 - 2022
USN : 18602920
- B.E in Computer Science & Engineering**
@Cambridge Institute Of Technology North Campus
2023 - 2026
USN : 1AJ22CY051

Skills

- Wireframing and Prototype Design
- DBMS
- Object-Oriented Programming
- Web Programming
- Graphic Design
- Code Writing

Experience

- Co-Owner** 21 April - Current
@Hell Craft Network

As a Co-owner at Hell Craft Network, I play a pivotal role in managing the company's operations, with a primary focus on web development. Leveraging my expertise, I ensure seamless website functionality and user experience.

- IEEE Secretary** Jan 2024 - Current
@Cambridge Institute Of Technology North Campus

As the IEEE Secretary at Cambridge Institute Of Technology North Campus, I am dedicated to fostering technological innovation and collaboration within our academic community. In this role, I play a key part in organizing and facilitating IEEE events, promoting knowledge sharing, and encouraging student engagement in the field of technology. Let's connect and explore the exciting world of innovation together!

Language

- Bengali (Native)
- English (C2 - Proficient)
- Hindi (C1 - Advanced)
- Kannada (B2 - Upper Intermediate)

Coding Languages

- Python
- HTML
- CSS
- JAVASCRIPT
- JAVA
- SQL

ACTIVITIES AND HONORS

- Participated at Start-A-Thon powered by Unstop
- Participated at AT Makeathon at IIT Madras
- Participated at TCS Tech bytes - Quizard
- Participated at Solution Challenge at Google Developer Student Clubs
- Attended AWS Cloud Club Student Community Day 2024, St. Joseph's Group of Institutions
- Attended a Webinar on Web Hacking and Defence by namaste cyber
- Participated in 3 days hands-on workshop on IoT at Cambridge Institute of Technology, North Campus
- Participated in Seedbrain 2.0 at Cambridge Institute of Technology (CIT)
- Participated in Technology Vision 2047 at Indian Institute of Science (IISc)
- Participated in Reimagine waste 6 in collaboration with Inunity and Comedcares
- Participated in Digital Defender CFT 2023
- Participated at EY Techathon 4.0 powered by Unstop
- Participated at Oxyignite 2023 at Oxford College of Engineering

Awards & Recognition

- Earned 2nd Place at the AT Makeathon at IIT Madras
- Achieved 2nd Place in a presentation at Oxyignite 2023 at Oxford College of Engineering
- Won 1st Place at a 3-day hands-on workshop on IoT at Cambridge Institute of Technology North Campus (
- Placed in the Top 25 at Technology Vision 2047 (Year)
- Secured a spot among the Top 7 finalists at Reimagine Waste 6 competition in collaboration with Inunity and Comedcares
